

Certified data management professional

Definition

Certified data management professional is a person who successfully pass the CDMP exam.

Notes

The [Certified Data Management Professional \(CDMP\)](#) is the current most relevant Data Management Certification. It's a certification published and managed by [DAMA International](#).

There are currently four certification levels¹⁾:

- CDMP Associate
- CDMP Practitioner
- CDMP Master
- CDMP Fellow

The first level only requires the Data Management Fundamentals exam at a 60% pass, the higher levels increasingly a higher pass and specialist exams that focus on specific subjects.
