

Stichting DAMA-NL

Definition

Stichting DAMA-NL is a Dutch non-profit, vendor-independent foundation of data professionals dedicated to advancing data management.

Abbreviation

DAMA-NL

Notes

- DAMA-NL is supported by 'friends' who make an annual donation to the foundation.
- Important activities take place within DAMA-NL's work groups, each of which has its own programme.
- The initiative to develop the data management wiki originated within the [data quality work group](#).

Relations

DAMA-NL is a chapter of [DAMA-international](#).
